

Unless otherwise noted, all domestic U.S. prices are on short ton, FOB basis. International prices are on metric ton basis.

Fertilizer Market Pricing Intelligence, On Demand

The weekly Green Markets fertilizer pricing data, formatted to your specifications and delivered on a schedule of your choosing.

It's the data the industry trusts, in a readily usable electronic format fitting your specific business needs.

All prices indicated allow for one year of access to the *Green Markets Custom Fertilizer Pricing Data Feeds*. Multi-year discounts are available.

For more information contact Jonathan Wentworth-Ping at +1-603-357-8160, or jpjping@green-markets.com.
