Table of Contents

Overview.....	4
Production and Capacity	4
Evolution of Chinese Capacity and Exports	6
Chinese Capacity by Feedstock.....	7
China Urea Cost Curve	15
Coal Gasification Technology.....	17
Anthracite Producer Cost of Production	20
Natural Gas & Other Producers	22
Vertical Integration with Feedstock Producers	24
Equity Ownership of Urea Producers.....	26
Capacity Outlook	28
Government Policy Overview	31
China Urea Demand	33
Major Crop Acreage	35
Urea Demand from Major Crops	37
China Subsidies	39
Seasonality of Agricultural Demand	41
NPK Production on Urea Demand.....	42
Resin Production on Urea Demand.....	43
Melamine Urea Demand	44
SCR/Pollution Control on Urea Demand	46
China Urea Supply and Demand Overview	48
About the Analysts	50

Table of Figures

Chart 1: China Urea Production, Capacity, and Utilization Rate 2000-2016 (mmt).....	5	Figure 24: Equity Ownership of Urea Producers 2016 (mt/year)	26
Chart 2: China Urea Production Capacity Development 2003-2021 (mmt, nameplate)	6	Figure 25: Equity Ownership of Urea Producers, by Feedstock	27
Chart 3: Urea Capacity by Feedstock, 2003 (mmt, % of national total).....	8	Figure 26: Equity Ownership of Urea Producers 2016 vs. 2021, by Capacity.....	27
Chart 4: Urea Capacity by Feedstock, 2016 (mmt, % of national total).....	8	Figure 27: China Urea Production Additions/Subtractions 2003-2021 (mmt)	28
Chart 5: Urea Capacity by Feedstock, 2003-2016 (mmt, % of national total).....	9	Figure 28: China Urea Production by Feedstock 2021 (mmt)	29
Figure 6: China Anthracite Resources, by Region 2016	10	Figure 29: New Urea Capacity 2017 and Forward	30
Figure 7: Vertical Integration of China Anthracite Based Producers, 2014-2016.....	10	Figure 30: China Urea Subsidy Programs, Status and Impact.....	32
Figure 8: New Urea Production Capacity, by Feedstock, 2013-2021 ('000 mt).....	11	Figure 31: China Fertilizer Application, N, P, K and Compound, 1995 -2015 ('000 mt nutrient)	33
Figure 9: Anthracite Coal Based Urea Producers, by Region 2016 ('000 mt)	11	Figure 32: China Fertilizer Application, N, P, K and Compound, 1995-2015 (% of Total)	34
Figure 10: Non-Anthracite Coal Based Urea Capacity by Region, 2016 (mmt)	12	Figure 33: Growth Rate of N, P, K and Compound Fertilizer Application 1995-2015.....	34
Figure 11: Distribution of Anthracite Based Producers.....	13	Figure 34: China Crop Acreage, Grain and Total 1995-2016 ('000 ha.).....	35
Figure 12: Distribution of Non-Anthracite Based Urea Producers	14	Figure 35: China N,P,K and Compound Fertilizer Application Rates per Hectare 1995-2015 (kg/ha).....	36
Figure 13: China Urea Supply Curve, by Feedstock.....	15	Figure 36: China Grain Acreage, by Crop 2002-2021 ('000 ha.).....	36
Figure 14: China Urea Cost Curve, by Province, 2016 ('000 mt, RMB/mt FOB plant)	16	Figure 37: China Major Grain Acreage, by Crop 2002-2021 ('000 ha.).....	37
Figure 15: Coal Based Urea Capacity by Gasification Technology, 2016 ('000 mt).....	17	Figure 38: China Urea Application Rate on Major Crops, 2005-2021 (kg/ha).....	38
Figure 16: China Coal-Based Producer Avg. Input Cost, 2016, by Technology (RMB/mt FOB plant).....	18	Figure 39: China Urea Demand from Major Crops, 2007-2021 ('000 mt)	38
Figure 17: China Coal-Based Ammonia Producer Input Cost 2016, by Technology (RMB/mt) plant).....	19	Figure 40: China Major Grain and Oilseed Prices, 2001-2016 (RMB/mt).....	40
Figure 18: Calculation of Average Cost of Production for Anthracite Based Urea Producers, November 2016.....	20	Figure 41: China Urea Seasonal Demand, % of Annual Total by Month	41
Figure 19: China Anthracite-Based Urea Producer Cost of Production 2013- 2016 (export tax included, VAT excluded)	21	Figure 42: Compound Fertilizer Demand for Urea 2006-2021	42
Figure 20: Forward Potential Shutdown of Gas Based Urea Producers.....	23	Figure 43: China Resin Industry Urea Demand 2006-2021	43
Figure 21: Vertical Integration of Urea Producers 2016, by Feedstock ('000 mt/year)	24	Figure 44: China Melamine Production Level and Capacity, 2004-2016 ('000 mt).....	44
Figure 22: Vertical Integration of Urea Producers 2021, by Feedstock ('000 mt/year)	25	Figure 45: China Melamine Production and Urea Demand 2007-2021 ('000 mt)	45
Figure 23: Vertical Integration of Urea Producers 2016 vs. 2021 ('000 mt/year)	25	Figure 46: China Power Generation 2000-2021	46
		Figure 47: China SCR DeNOx Urea Consumption 2012-2021	47
		Figure 48: China Urea Supply & Demand (mmt)	49
